

PRAKASH M

Software Engineer Intern

Chennai / Bangalore (Willing to Relocate)

prakashm23032003@gmail.com — 6379320774 — linkedin.com/prakash3 — github.com/Prakash3

Summary

Software Engineer with strong foundations in Java, Object-Oriented Programming, Data Structures Algorithms, and backend development. Hands-on experience building REST APIs, database-driven applications, and production-style backend modules through internships and real-world projects. Eager to contribute to scalable software solutions and deliver high-quality code in collaborative, fast-paced environments.

Education

SRM Institute of Science and Technology

June 2024 – April 2026

Master of Computer Applications

CGPA: 9.3

King Nandhavanam College of Arts and Science

April 2023

Bachelor of Computer Applications

CGPA: 8.2

Internship

Top Tech Developers

May 2025

Software Developer Intern

- Developed a responsive web application using **HTML, CSS, and JavaScript**, improving overall performance by **30%** through optimized logic and debugging.
- Participated in code reviews, followed coding standards, and applied feedback to improve code quality and maintainability.
- Improved application performance by identifying and fixing bugs, enhancing user experience.
- Collaborated with team members to understand requirements, fix defects, and deliver features within defined timelines.

Projects

E-Commerce Backend System – Java, Spring Boot, MySQL

- Designed and developed a scalable **backend** using **Spring Boot** and **MySQL** for managing users, products, and orders.
- Implemented real-time email notifications for order updates, improving user communication.
- Applied clean code principles and optimized database queries for better performance.
- Followed Software Development Life Cycle (SDLC) practices including debugging and testing.

Skills

Programming: Java, Spring Boot

Database: MySQL

Tools: Git, GitHub, VS Code, Eclipse

Core Concepts: OOP, Data Structures & Algorithms, REST APIs, SDLC, Debugging

Soft Skills: Communication, Team Collaboration, Attention to Detail, Willingness to Learn New Technologies

Certifications

Full Stack Development (Java, SQL, DSA) — Greens Technology

April 2024

Data Structures and Algorithms using Java — Great Learning

March 2025

Achievements

- Consistently Solved **more than 290 Data Structures and Algorithms problems** on **LeetCode**, strengthening problem-solving skills and logical thinking.
